Step by Step Anleitung

1. Visit developer.ibm.com/startups and click “Get FREE credits now”
2. Complete the application to be enrolled into the Builder tier, immediately granting you \$1,000/month in free credits for 12 months.
3. Important Note > When completing the application, select “**Entrepreneur Club Winterthur**“ in the affiliate field to ensure you are eligible.
4. Be on the lookout for an email from our team with additional details to link your account and activate credits.
5. To apply for an increase in credit to \$10,000/month, access the „Member Portal“ on this same website once your account is activated.
6. For more information, feel free to checkout the information on our website, including [FAQ's](#)
7. For questions about account status, please use the contact module on developer.ibm.com/startups by clicking the “Let’s talk” button.

The screenshot shows the application form for IBM Cloud Service Credits. The form is titled "orders.cloud.ibm.com" and includes several sections. The "Affiliate" field is a dropdown menu that is currently open, displaying a list of various organizations. The "Entrepreneur Club Winterthur" option is highlighted in blue, and a red arrow points to it. Other visible options in the dropdown include "Call for Code - California Wildfires", "Call for Code Authors", "Call for Code Winners", "Campus Engineer", "Canopy Boulder (GAN)", "Capital Factory", "Carso Ventures (GAN)", "Catalyst Website", "Chinaccelerator (GAN)", "CITI4", "CoCoon", "Cognitive Class", "Collide Village", "Communtech HYPERDRIVE (GAN)", "Connector", "Connective Hub", "Copenhagenfintech", "Corredores Digitals", "Council.Club", "Custroccas Acelera", "Cyberport Entrepreneur Centre", "D7zce Teknopark A.7.", "DAI (GAN)", "D&S Lab (GAN)", "DILA Capital", "DV / IBM Innovation Space", "Darwin/HARDS", "Data Lab VC", "Day of Workshop", "Deakin university", "Decacom Capital", "Decellira", "Demium", "Desai Accelerator (GAN)", "Developer", "Digital Currency Group", "District Ventures", "ELEVATE by TheVentury", "ERA (GAN)", "ESIC", "ETC Labs", "East Ventures", "Ejad Labs", "Elevator (GAN)", "Elevon (GAN)", "Elmspring (GAN)", "Embarc Collective", "Emera IdeashUB", "Emirate Hack", "Engage Ventures (GAN)", "Empact Egypt", "Enterprise Tasmania", "Entrepreneur Club Winterthur", "Entrepreneurs First", "Entrepreneurs' Organization", "Entrepreneurship and Product Innovation Center", "Emesnet/Yodiee (GAN)", "Esselator", and "Expert Dojo".
